Mr. Tran Dinh Thanh – Chairman of the Board of Directors of Hanoi Beer Alcohol And Beverage Joint Stock Corporation (HABECO):

In recent years, Vietnam's economy in general and the beer industry in particular have faced many challenges; notably the COVID-19 pandemic and government-issued decrees and laws on the prevention of alcohol-related harm, which have significantly changed consumer habits.

Objectively speaking, the beer industry as a whole has experienced a decline in recent times. However, Hanoi Beer and Thanh Hoa Beer remain among the few products that have maintained stable output without significant decreases, thus preserving their market share. Moreover, we are a national brand and have received active support from government agencies throughout our operations, providing us with further motivation for development.

Amid the general difficulties, Hanoi - Thanh Hoa Beer Joint Stock Company achieved its targets for profit and dividends in 2024. This is a commendable effort by the company's leadership. The 2025 plan set by Thanh Hoa Beer also shows a positive growth trend.

We call upon our valued shareholders, in the spirit of shared societal and corporate challenges, to actively encourage friends and family to use the company's products, thereby contributing to the economic growth of Thanh Hoa Province in general, and of Hanoi - Thanh Hoa JSC in particular.

As for Hanoi - Thanh Hoa Beer JSC, the leadership is encouraged to continue leveraging the company's advantages and resources, and to build and strengthen a professional, streamlined sales team to ensure effective production and business operations.
