4. Supervision Activities of the Board of Directors over the Executive Board

- The Board of Directors assigned responsibilities to each member and operated under the direction of the Chairman. The Board holds regular quarterly meetings, extraordinary meetings, or conducts written consultations with its members to exchange information on the Company's operations, implement the resolutions of the General Meeting of Shareholders, and resolve matters within the Board's authority.

- The Board of Directors directs and supervises the activities of the Executive Board by issuing resolutions, decisions, and internal management regulations. At the same time, specific members of the Board are assigned to monitor and oversee the performance of the Executive Board in various operational areas. In the first half of 2025, the Board of Directors supervised the Executive Board in the following key areas:

+ Supervised the Executive Board in developing and implementing the business plan approved by Hanoi Water Supply Company and the General Meeting of Shareholders. Completed the appointment of personnel to key management positions for the 2025–2030 term.

+ Supervised the Executive Board in the implementation of construction investment projects, especially the investment project for the renovation and upgrading of the water supply system in accordance with the 2023 local infrastructure improvement schedule in the Soc Son area.

+ Supervised the Executive Board in the approval and implementation of the investment project for the construction, expansion, and completion of the centralized water supply network in Soc Son District – Phase V.

+ Supervised the Executive Board in developing and implementing the financial, labor, and salary plans for 2025; and in carrying out the capital investment plan for construction projects.

+ Oversaw other matters within the authority of the Board of Directors.

- Through the supervision process, the Board of Directors observed that the Executive Board effectively implemented the resolutions and decisions of the General Meeting of Shareholders and the Board of Directors, and strictly complied with the Company's Corporate Governance Regulations. The Executive Board regularly conducted reviews and evaluations of monthly and quarterly business performance and proactively proposed timely and effective solutions for business operations aligned with the Company's activities. Therefore, in the first half of 2025, the Company's operations remained stable, safe, and compliant with legal regulations.

3. Supervisory Activities of the Supervisory Board over the Board of Directors, Executive Board, and Shareholders

The Supervisory Board carried out its duties and powers as stipulated in the Company's Charter and the Regulations on the Organization and Operation of the Supervisory Board. It supervised the activities of the Board of Directors and the Executive Board in the

management and administration of the Company to ensure compliance with applicable laws, the Company's Charter, internal corporate governance regulations, as well as the resolutions of the General Meeting of Shareholders, and the resolutions and decisions of the Board of Directors and the General Director.

The Supervisory Board's oversight of the Board of Directors and the Executive Board was implemented through the following activities:

- Supervised the Company's financial status by reviewing and evaluating the 2024 annual financial statements and the Q1 2025 financial statements (including verification of the consistency, accuracy, and compliance of accounting, statistics, and financial reporting practices). The review results indicated that the Board of Directors and the Executive Board strictly adhered to management decisions, the Company's financial situation was transparent, and the Supervisory Board's recommendations were acknowledged.

- Monitored the procedures, documentation, and convening of the 2025 Annual General Meeting of Shareholders to ensure compliance with legal regulations.

- Verified the Company's annual business performance results; assessed the completeness, legality, and accuracy of the Board of Directors' corporate governance report.

- Oversaw the Company's compliance with legal regulations on information disclosure, ensuring transparency in all corporate communications.

- Reviewed the convening and organization of meetings and the process of collecting written opinions of the Board of Directors, confirming that resolutions were adopted in accordance with the Company's Charter and the Board's operational regulations.

Through the supervision process, the Supervisory Board found that, in general, the governance and management activities of the Board of Directors, the Executive Board, and other managers complied with regulations and were implemented in accordance with the business orientation and objectives approved by the General Meeting of Shareholders. The resolutions and decisions of the Board of Directors were adopted in accordance with legal regulations, within the proper authority, and received high consensus among Board members.

4. Coordination between the Supervisory Board and the Board of Directors, the Executive Board, and other management personnel

- During the performance of its duties, the Supervisory Board maintained close coordination with the Board of Directors, the Executive Board, and the Company's management staff in a spirit of objectivity, transparency, and mutual respect. The Board of Directors, the Executive Board, and company management provided complete and timely information and documents related to corporate management and business operations, facilitating the Supervisory Board's inspection and oversight activities.

- At all meetings of the Board of Directors, members of the Supervisory Board were invited to attend in order to participate in discussions, exchange views, and stay informed about governance and management matters, as well as to provide input for resolving issues related to the Company's business operations.

- The coordination between the Board of Directors, the Executive Board, and the Supervisory Board was close and supportive, ensuring mutual assistance in management, operations, and supervision. This collaboration helped ensure the effective implementation
