The after-tax profit in the financial statement in the 2nd quarter of 2025 has changed by over 10% compared to the same period last year. Specifically, the after-tax profit in the 2nd quarter of 2025 is 514,940,621 VND, while in the 2nd quarter of 2024, it was 426,348,868 VND

Our company would like to explain as follows:

Currently, the Company is still applying the selling price of clean water consumption according to Decision No. 41/2018/QĐ-UBND dated October 2nd, 2018 of the People's Committee of Nghe An province; the price of clean water consumption has not been adjusted up. Meanwhile, the costs of input materials, wages, electricity bills, etc. increase steadily every year, leading to the Company's profit in the 2nd quarter of 2025 being lower than the same period last year.

Therefore, the Company submits this explanation to the State Securities Commission and the Hanoi Stock Exchange.

Sincerely./.
