3. Supervisory activities of the Board of Directors over the Board of Directors:

Pursuant to Company's Charter, the Board of Directors has supervised the activities of the Executive Board in organizing and operating production and business and implementing resolutions of the General Meeting of Shareholders and resolutions of Board of Directors.

The Board of Directors always closely follows the Resolution of the General Meeting of Shareholders to closely direct the production, business and investment activities of the Company. At the same time, regularly inspects and supervises the business performance of the Executive Board.

Supervision activities are carried out regularly, promptly and fully. In addition to regular meetings, the Executive Board also regularly reports and exchanges with the Board of Directors to promptly and effectively handle arising issues.

The Company's Board of Directors has organized regular and extraordinary meetings in the form of expanded meetings, collecting written opinions for the participation of members of the Executive Board, the Board of Supervisors and specialized departments, in accordance with the provisions of the Company's Charter, closely following and seriously implementing the Resolution of the General Meeting of Shareholders.

The Board of Directors has proactively assessed the market, based on the Company's business situation to issue resolutions and decisions to guide the operations of the Executive Board. In the first 6 months of 2025, the Board of Directors discussed and decided on important issues related to the Company's operations, and proposed measures to achieve the goal of completing the plan.

Continue to strengthen management, strive to organize production and business effectively. Continue to direct the Executive Board to strictly implement the provisions of the Law in implementing investment in construction and regular purchases to maintain the company's regular operations.

According to the Board of Directors' assessment, the activities of the Executive Board in the process of implementing the production and business plan for the first 6 months of 2025 are in accordance with the Resolution of the General Meeting of Shareholders, the Resolution of the Board of Directors, the actual market situation and in accordance with the provisions of the Law. The Executive Board has been highly determined in directing and operating, flexible and adaptable in the implementation process, so the company has overcome the difficulties caused by market competition to gradually complete the set plan.

4. Activities of subcommittees under the Board of Directors (if any): The activities of the internal audit subcommittee from the date of establishment on February 11st, 2024 to present and the first 6 months of 2025 have fully performed the functions and tasks prescribed in the Regulations on the organization and operation of the subcommittee.

5. Resolutions/Decisions of the Board of Directors (first 6 months of 2025):

The Resolutions and decisions of the Board of Directors issued in the first 6 months of 2025 are all based on the consensus of the Board members in accordance with the regulations on public companies, the Company Charter and the Law.

In the first 6 months of 2025, the Company's Board of Directors issued the following specific Resolutions and Decisions:
