Công ty cổ phần Cảng Quảng Ninh xin báo cáo: Trong quá trình rà soát lại Báo cáo tài chính bán niên năm 2025 đã được soát xét (bản tiếng Anh) đã công bố trên trang thông tin điện tử của HNX và Công ty, chúng tôi phát hiện có sai sót trong số liệu Báo cáo lưu chuyển tiền tệ do lỗi soạn thảo.

**Cụ thể:**

**Mục II. Cash flows from investing activities:**

- Loans and purchase of debt instruments from other entities, cột “The first 6 months of 2024”:

**Số liệu đã công bố:** (110,000,000,000)

**Số liệu đúng:** (50,000,000,000)

- Collection of loans and resale of debt instrument of other entities, cột “The first 6 months of 2024”.

**Số liệu đã công bố:** 128,000,000,000

**Số liệu đúng:** 68,000,000,000

Nguyên nhân: Lỗi soạn thảo khi dịch thuật và trình bày báo cáo tài chính từ tiếng Việt sang tiếng Anh, không ảnh hưởng đến các số liệu khác của báo cáo.

Chúng tôi đã chỉnh sửa và gửi kèm Báo cáo tài chính bán niên năm 2025 (bản tiếng Anh) đã điều chỉnh để HNX cập nhật và thay thế bản đã công bố trước đó.

### **STATEMENT OF THE BOARD OF MANAGEMENT'S RESPONSIBILITY IN RESPECT OF THE INTERIM FINANCIAL STATEMENTS**

The Board of Management is responsible for the Interim Financial Statements which give a true and fair view of the financial position of the Company, its operating results and its cash flows for the period. In preparing those Interim Financial Statements, the Board of Management is required to:

- Establish and maintain an internal control system which is determined necessary by the Board of Management and the Board of Directors to ensure the preparation and presentation of Interim Financial Statements do not contain any material misstatement caused by errors or frauds;

**Quang Ninh Port Joint Stock Company**

No. 1, Cai Lan Street, Bai Chay Ward, Quang Ninh Province

- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Interim Financial Statements;
- Prepare and present the Interim Financial Statements on the basis of compliance with Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and the statutory requirements relevant to the preparation and presentation of Interim Financial Statements;
- Prepare the Interim Financial Statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Board of Management is responsible for ensuring that accounting records are kept to reflect the financial position of the Company, with reasonable accuracy at any time and to ensure that the Interim Financial Statements comply with the current State's regulations. It is responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Board of Management confirms that the Interim Financial Statements give a true and fair view of the financial position at 30 June 2025, its operation results and cash flows for the period from 01 January 2025 to 30 June 2025 of the Company in accordance with the Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and the statutory requirements relevant to the preparation and presentation of the Interim Financial Statements.

**Other commitments**

The Board of Management pledges that the Company complies with Decree No. 155/2020/ND-CP dated 31 December 2020 on detailing and guiding the implementation of a number of articles of the Law on Securities and the Company does not violate the obligations of information disclosure in accordance with the regulations of the Circular No. 96/2020/TT-BTC dated 16 November 2020 issued by the Ministry of Finance guiding the disclosure of information on Securities Market and the Circular No. 68/2024/TT-BTC dated 18 September 2024 issued by Ministry of Finance amending and supplementing some articles of the Circular No. 96/2020/TT-BTC.

On behalf of the Board of Management

**Hoàng Trọng Tung**

General Director

Quang Ninh, 14 August 2025

**REVIEW REPORT ON INTERIM FINANCIAL INFORMATION**

**To: Shareholders, Board of Directors and Board of Management  
Quang Ninh Port Joint Stock Company**

We have reviewed the accompanying interim financial statements of Quang Ninh Port Joint Stock Company prepared on 14 August 2025 from page 05 to page 33 including: Interim Statement of financial position as at 30 June 2025, Interim Statement of income, Interim Statement of cash flows and Notes to Interim financial statements for the period from 01 January 2025 to 30 June 2025.

**Board of Management' Responsibility**

The Board of Management is responsible for the preparation of interim financial statements that give a true and fair view in accordance with Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System and the statutory requirements relevant to the preparation and presentation of interim financial statements and for such internal control as management determines is necessary to enable the preparation of interim financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express a conclusion on these interim financial statements based on our review. We conducted our review in accordance with Vietnamese Standard on Review Engagements 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity.

A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Vietnamese Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Auditor's Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying Interim Financial Statements does not give a true and fair view, in all material respects, of the financial position of the Quang Ninh Port Joint Stock Company as at 30 June 2025, and of its financial performance and its cash flows for the six-month period then ended in accordance with the Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System and the statutory requirements relevant to preparation and presentation of interim financial statements.

- Classification and provision of financial investments;
- Estimated corporate income tax.

Such estimates and assumptions are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are assessed by the Board of Management to be reasonable under the circumstances.

### **2.4 Foreign currency transactions**

Foreign currency transactions during the period are translated into Vietnamese Dong using the actual rate at transaction date.

Actual exchange rate when re-valuating monetary items denominated in foreign currencies at the reporting date of Interim Financial Statements is determined under the following principles:

- For asset accounts, applying the bid rate of the commercial banks where the Company regularly conducts transactions;
- For foreign currency deposited in banks, applying the bid rate of the bank where Company opens its foreign currency accounts;
- For liability accounts, applying the offer rate of the commercial bank where the Company regularly conducts transactions.

All exchange differences arising from foreign currency transactions in the period and from revaluation of foreign currency monetary items at the date of the financial statements and recorded to the operating results of the accounting period.

### **2.5 Cash and cash equivalents**

Cash comprises cash on hand, demand deposits.

Cash equivalents are short-term investments with the maturity of no more than 3 months from the date of investment, that are highly liquid and readily convertible into known amount of cash and that are subject to an insignificant risk of conversion into cash.

## **2.6 Financial investments**

*Investments held to maturity* comprise term deposits held to maturity to earn profits periodically and other held-to-maturity investments.

*Investments in associates* are initially recognized at original cost. After initial recognition, the value of these investments is measured at original cost less provision for devaluation of investments.

*Equity Investments in other entities* comprise investments in equity instruments of other entities without having control, joint control, or significant influence on the investee. These investments are initially stated at original cost. After initial recognition, these investments are measured at original cost less provision for devaluation of investments.

Provision for devaluation of investments is made at the end of the year as follows:

- Investments in associates: provision for loss investments shall be made based on the Financial Statements of associates at the provision date.
- Long-term investments (other than trading securities) without significant influence on the investee: If the investment in listed shares or the fair value of the investment is determined reliably, provisions shall be made on the basis of the market value of the shares; if the fair value of the investment is not determined at the reporting date, provision shall be made based on the Financial Statements at the provision date of the investee.
- Investments held to maturity: provision for doubtful debts shall be made based on the recovery capacity in accordance with statutory regulations.

## **2.7 Receivables**

The receivables shall be recorded in detail by due date, receivable entities, types of currency and other factors according to requirements for management of the Company. The receivables shall be classified into short-term receivables or long-term receivables in the interim financial statements based on their remaining terms at the reporting date.

The provision for doubtful debts is made for receivables that are overdue under an economic contract, a loan agreement, a contractual commitment or a promissory note and for receivables that are not due but difficult to be recovered. Accordingly, the provisions for overdue debts shall be based on the due date stipulated in the initial sale contract, exclusive of the debt rescheduling between contracting parties and the case where the debts are not due but the debtor is in bankruptcy, in dissolution, or missing and making fleeing or estimating the possible losses.

## **2.8 Inventories**

Inventories are initially recognized at original cost including purchase price, processing cost and other costs incurred in bringing the inventories to their location and condition at the time of initial recognition. After initial recognition, at the reporting date, inventories are stated at the lower of cost and net realizable value.

The net realizable value is estimated based on the selling price of inventory minus the estimated costs to complete the product and the estimated costs to sell the product.

The cost of inventory is calculated using the weighted average method.

Inventory is recorded using the perpetual method.

Provision for devaluation of inventories made at the end of the period is based on the excess of original cost of inventory over their net realizable value.

## **2.9 Fixed assets**

Fixed assets (tangible and intangible) are initially stated at the historical cost. During their useful lives, fixed assets (tangible and intangible) are recorded at cost, accumulated depreciation and carrying amount.

### *Subsequent measurement after initial recognition*

If these costs augment future economic benefits obtained from the use of tangible fixed assets are extended to their initial standard conditions, these costs are capitalized as an incremental in their historical cost.

Other costs incurred after tangible fixed assets have been put into operation such as repair, maintenance and overhaul costs are recognized in the Separate Statement of Income in the year in which the costs are incurred.

Fixed assets are depreciated (amortised) using the straight-line method over their estimated useful lives as follows:

- Buildings, structures	06-27 years
- Machinery, equipment	05-12 years
- Vehicles, Transportation equipment	06-20 years
- Office equipment	03-13 years
- Management software	03-08 years

## **2.10 Construction in progress**

Construction in progress includes fixed assets which is being purchased and constructed as at the balance sheet date and is recognised in historical cost. This includes costs of construction, installation of equipment and other direct costs.

## **2.11 Operating lease**

Operating leases are fixed asset leasing in which a significant portion of the risks and rewards of ownership are retained by the lessor. Payments made under operating leases are charged to the income statement on a straight-line basis over the period of the lease.

## **2.12 Prepaid expenses**

The expenses incurred but related to operating results of several accounting periods are recorded as prepaid expenses and are allocated to the operating results in the following accounting periods.

The calculation and allocation of long-term prepaid expenses to operating expenses in each accounting period should be based on the nature of those expenses to select a reasonable allocation method and criteria.

### *Types of prepaid expenses include:*

- Repair costs for fixed assets are allocated over a period of 12 to 36 months (repairs to warehouses are allocated over 10 years), and dredging costs for the port entrance are allocated over 36 months.
- Property insurance costs are allocated based on the insurance period specified in the insurance contract.
- Tools and supplies include assets which are possessed by the Company in an ordinary course of business, with a historical cost of each asset less than 30 million dong, and therefore not eligible for recording as fixed assets under current legal regulations. The historical cost of tools and supplies are allocated on the straight-line basis over 12 to 24 months.

- Other prepaid expenses are recorded at their historical costs and allocated on the straight-line basis over 6 to 12 months.

### **2.13 Payables**

The payables shall be recorded in detail by due date, payable entities, types of currency and other factors according to the requirements for management of the Company. Accounts payable are classified as short-term and long-term in the financial statements based on the remaining maturities of the payables at the reporting date.

### **2.14 Accrued expenses**

Accrued expenses include payables to goods or services received from the suppliers or provided for the customers during the reporting period, but the payments for such goods or services have not been made and other payables such as loading and transportation costs, electricity expenses, etc. which are recorded as operating expenses of the reporting period.

The recording of accrued expenses as operating expenses during the year shall be carried out under the matching principle between revenues and expenses during the year. Accrued expenses are settled with actual expenses incurred. The difference between accrued and actual expenses is reverted.

### **2.15 Unearned revenues**

Unearned revenues include prepayments from customers for one or many accounting periods relating to asset leasing.

Unearned revenues are transferred to revenue from sale of goods and rendering of services with the amount corresponding to each accounting period.

### **2.16 Owner's equity**

Owner's equity is stated at actually contributed capital of owners.

Share premium is recorded at the difference between the par value with costs directly attributable to the issuance of shares and issue price of shares (including the case of re-issuing treasury shares) and can be a positive premium (if the issue price is higher than par value and costs directly attributable to the issuance of shares) or negative premium (if the issue price is lower than par value and costs directly attributable to the issuance of shares).

Retained earnings are used to present the Company's operating results (profit, loss) after corporate income tax and profit appropriation or loss handling of the Company.

Dividends to be paid to shareholders are recognised as a payable in Statement of Financial position after the announcement of dividend payment from the Board of Directors and announcement of cut-off date for dividend payment of Vietnam Securities Depository and Clearing Corporation.

### **2.17 Revenue from sales of goods and rendering of services**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured regardless of when payment is being made. Revenue is measured at the fair value of the consideration received, excluding discounts, rebates, and sales returns. The following specific recognition conditions must also be met when recognizing revenue:

*Revenue from rendering of services:*

- The percentage of completion of the transaction at the Balance sheet date can be measured reliably;

*Financial income*

Financial incomes include income from assets yielding interest, royalties, dividends and other financial gains by the Company shall be recognised when the two conditions are satisfied:

- It is probable that the economic benefits associated with the transaction will flow to the Company; and
- The amount of the revenue can be measured reliably.

Dividend income shall be recognised when the Company's right to receive dividend or profit from capital contribution is established.

**2.18 Cost of services rendered**

Cost of services rendered during the year, and recorded on the basis of matching with revenue and on a prudence basis.

**2.19 Financial expenses**

The expenses recorded as financial expenses include:

- Expenses or losses relating to financial investment activities;
- Losses from the disposal and transfer of short-term securities, transaction cost of selling securities;
- Provision for impairment of trading securities, provision for investment loss in other entities, losses incurred from the sale of foreign currency, foreign exchange losses, payment discount, interests from deferred payment purchase, etc.

The above items are recorded by the total amount arising in the period without offsetting against financial income.

**2.20 General and administrative expenses**

General and administrative expenses reflect the Company's overall management costs, primarily including salaries of management personnel, social insurance, health insurance, trade union fees, unemployment insurance for management staff, office supplies, work tools, depreciation of fixed assets used for corporate management, provisions for doubtful debts, outsourced service costs, and other related expenses.

**2.21 Corporate income tax**

*Current corporate income tax expenses*

Current corporate income tax expenses are determined based on taxable income during the period and the current corporate income tax rate.

*Current corporate income tax rate*

The Company is subject to corporate income tax of 20% for the operating activities which has taxable income for the period from 01/01/2025 to 30/06/2025.

**2.22 Earnings per share**

Basic earnings per share (EPS) are calculated by dividing the net profit or loss after tax allocated to the holders of common shares of the Company (after adjusting for the allocation to the Reward and Welfare Fund and the Executive Board's Bonus Fund) by the weighted average number of common shares outstanding during the period.

## 2.23 Related Parties

The parties are regarded as related parties if that party has the ability to control or significantly influence the other party in making decisions about the financial policies and activities. The Company's related parties include:

- Companies, directly or indirectly through one or more intermediaries, having control over the Company or being under the control of the Company, or being under common control with the Company, including the Company's parent, subsidiaries and associates;
- Individuals, directly or indirectly, holding voting power of the Company that have a significant influence on the Company, key management personnel including directors and employees of the Company, the close family members of these individuals;
- Enterprises that the above-mentioned individuals directly or indirectly hold an important part of the voting power or have significant influence on these enterprises.

In considering the relationship of related parties to serve for the preparation and presentation of Interim Financial Statements, the Company should consider the nature of the relationship rather than the legal form of the relationship.

## 2.24 Segment information

Given that the Company's operations are exclusively in the port services sector and are conducted solely within Quang Ninh province, the Company does not prepare segment reports by business segment and geographical segment.

(\*) As of June 30, 2025, the incurred costs primarily include site leveling expenses, compensation costs, and certain investment consulting fees for the project. Detailed information about the project is as follows:

The project was approved by the Quang Ninh Provincial People's Committee under the detailed planning at the scale of 1/500 according to document No. 2718/QĐ-UBND dated September 14, 2006, and Decision No. 1669/QĐ-UBND dated May 29, 2008, regarding land acquisition and handover to the Ha Long City People's Committee for compensation and site clearance to implement the goods storage yard project in the Cai Lan area.

According to Decision No. 01/QLCSHT-MT dated January 3, 2013, issued by the Company's General Director approving the investment in the goods storage yard project located in the upper hill area of Pier 1, the key details are as follows:

- + Land area: 62,403 m<sup>2</sup>
- + Objective: Construction of a warehouse
- + Scale:
  - Construction of a service office area covering 1,875 m<sup>2</sup> (including an operation building, security post, parking lot, and green landscape).
  - Pier and warehouse area of 39,240 m<sup>2</sup> (including roofed warehouses, open-air storage, piers, and loading yards).
  - Other functional areas covering 21,288 m<sup>2</sup> (technical land, green spaces, and internal roads).
- + Total investment: VND 96,412,166,000 (of which 20% is equity capital: VND 19,282,433,000, with the remaining amount financed through commercial loans and other legally mobilized sources).

- + Operational duration: 50 years
- + Project timeline:
  - From Q3/2012 to Q1/2013: Site leveling
  - From Q1/2013 to Q3/2013: Construction of architectural components
  - Investment completion and operation commencement in Q4/2014.

However, after completing the site leveling, the Company has been unable to proceed with the project due to the pending approval of the Zoning Plan for Subdivision 5 - Ha Long City by the competent authorities.

The Company signed land lease agreements and obtained land use rights certificates in 2015, with lease agreements renewed annually until December 31, 2021. Since 2022, the Company has not yet received an extension of the land lease agreement. Nevertheless, the Company continues to receive land rent notices and has fully paid the land rental fees.

As of September 24, 2024, the 1/2000-scale zoning plan for Subdivision 5 of Ha Long City was approved by the Quang Ninh Provincial People's Committee under Decision No. 2705/QĐ-UBND. Following the approval of the zoning plan, on October 28, 2024, the Company submitted an official request to extend the land lease term for the Thuong Luu Hill – Berth No.1 area of Quang Ninh Port, intended for use as a cargo storage yard. On May 14, 2025, the Quang Ninh Provincial People's Committee issued Decision No. 1488/QĐ-UBND regarding the extension of land use rights upon expiry, granting Quang Ninh Port Joint Stock Company continued use of the land for temporary cargo yard purposes at Bai Chay Ward, Ha Long City, with the lease extended until December 31, 2026. The Company is actively coordinating with relevant authorities to complete project approval procedures and proceed with project implementation.
