*Regarding the explanation of the first
six months of 2025 financial
statements*

**To: The State Securities Commission
Hanoi Stock Exchange**

Pursuant to Circular No. 96/2020/TT-BTC dated November 16, 2020 of the Ministry of Finance guiding information disclosure on the stock market, SADICO Can Tho Joint Stock Company discloses information on the first six months of 2025 Financial Statements as follows:

Persuant to the Report on production and business performance in the first six months of 2025 Financial Statement of Sadico Can Tho Joint Stock Company.

- According to the first six months of 2025 Financial Statements, the return after tax in the income statement of the reporting period is a change of over 10% compared to the same period report last year (Details in Table 1).

** Explanation: The domestic and international economic situation has had a major impact on the packaging industry market. Under fierce competition pressure, supply exceeds demand, we have diversified our products, improved product quality, and enhanced after-sales services, leading to an increase in cost of goods sold in the first six months of 2025. As a result, the return after tax in the reporting period decreased compared to the same period in 2024.*

We commit that all the information above is true and take full legal responsibility for the content of the published information.
