To: State Securities Commission
Hanoi Stock Exchange

Pursuant to Circular No. 96/2020/TT-BTC dated October 6, 2015, of the Ministry of Finance guiding information disclosure on the securities market for listed companies, HAI Agrochem Joint Stock Company (HAI) respectfully submits to your office the explanation of the Separate Financial Statements for Q3/2025.

Explanation content:

Net profit after tax in the Separate Financial Statements for Q3/2025 changed by more than 10% compared to the same period in 2024, specifically as follows:

| No | Indicator | Quarter III-2025 | Quarter III-2024 | Change |
|----|----------------------|------------------|------------------|-----------|
| 1 | Net profit after tax | (510,353,672) | 3,457,234,123 | - 114.76% |

Profit after tax for the third quarter of 2025 decreased by 114.76% compared to the same period in 2024, mainly because selling expenses increased significantly year-on-year, which reduced net profit.

The above is our Company's explanation of the changes in business performance presented in the Parent Company's financial statements for the third quarter of 2025. We respectfully request the attention and support of the relevant authorities.

Sincerely,

Recipients:

- As above;
- To archives.
