Subject: Five (05) consecutive ceiling-price
sessions of KSV shares

To: - The State Securities Commission;
- The Hanoi Stock Exchange (HNX)

Vinacomin - Minerals Holding Corporation (Stock code: KSV) respectfully submits this report on the KSV shares hitting the ceiling price for five (05) consecutive trading sessions from December 31, 2025, to January 08, 2026, as follows:

The Corporation's share price has recently trended upward in line with prevailing market conditions. The fact that KSV shares hit the ceiling price for five (05) consecutive trading sessions is due to the supply and demand of the stock market. All investment and trading decisions are made independently by investors and remain entirely beyond the Corporation's control. Currently, the Corporation's business operations remain stable, and there have been no extraordinary developments.

The above is an explanation from Vinacomin - Minerals Holding Corporation regarding KSV shares hitting the ceiling price for five (05) consecutive trading sessions.

Respectfully./.
