3. Supervising the Board of Management by the Board of Directors:

In 2025, the BOD held 08 meetings to approve the contents of the General Meeting and the organization of the Annual General Meeting of Shareholders, approve the 2025 production and business plan targets, evaluate the activities of the General Director Board, evaluate the production and business results in 2024, 2025, etc.

The Board of Directors' members regularly monitor the implementation of the Resolutions/Decisions of the GMS and the BOD and monitor the activities of the General Director Board and the supporting apparatus through monthly meetings, thereby providing timely and appropriate directions.

In 2025, the Board of General Director and management levels have implemented the tasks as prescribed in the Charter, Resolutions of the GMS, BOD, and other tasks, specifically:

- Prepare the 2025 production and business plan to submit to the Annual General Meeting of Shareholders;
- Organize the implementation of production and business plans approved by the GMS and BOD;
- Strengthen activities such as internal training, human resource development, and many other tasks to serve production and business well.

The BOD highly appreciates the proactiveness, flexibility, and creativity of the General Director Board and all employees of the Company in organizing and implementing production and business activities, while performing well in internal governance, helping the Company achieve its targets, following the right goals, orientations, and directions of the BOD.

The General Director Board has seriously and effectively implemented the Resolutions/Decisions of the GMS and BOD and fully reported to the BOD.

Financial management is well implemented, ensuring a balance of capital sources to serve investment in production and business development.

4. Activities of the Board of Directors' subcommittees: None
