2. The above prices include value-added tax (VAT) (excluding environmental protection fees for domestic wastewater and wastewater drainage service charges as prescribed by law).

3. On an annual basis, Nghe An Water Supply Joint Stock Company shall be responsible for reviewing the implementation of the clean water pricing plan and preparing the expected clean water price for the following year. In the event that changes in production and business cost factors for clean water (including costs of raw water, materials, chemicals, labor, etc.) cause an increase or decrease in the clean water price for the subsequent year, Nghe An Water Supply Joint Stock Company shall be responsible for reporting and preparing the clean water pricing plan dossier to be submitted to the Department of Finance for appraisal and to the Provincial People's Committee for consideration and timely decision on price adjustment.

### **Article 3. Effectiveness**
