The company is releasing its audited financial statements for 2025. The company now provides clarification on two matters:

- The after-tax profit in the audited financial statements for 2025 shows a change of 10% or more compared to 2024.

- The after-tax profit in the audited financial statements for 2025 shows a difference of 5% or more between the pre- and post-audit figures.

According to the audited financial report for 2025, the after-tax profit is VND 814,205,895, an increase of over 10% compared to 2024, and a difference of 5% or more between the pre- and post-audit figures.

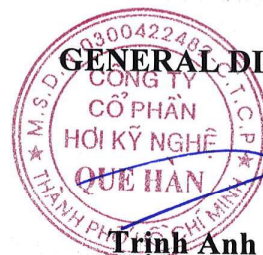

1. The increase in profits in 2025 compared to 2024 is mainly due to:

- Revenue increased by 17.4% compared to 2024.
- Reduced interest expenses by VND 909.6 million compared to 2024.
- Reduced business management costs by VND 4,605 million, including:  
Reduced provision for bad debts by VND 715.6 million; Reduced management staff expenses by VND 3,701.3 million; Reduced land use fees by VND 443.2 million.

2. Difference of 5% or more in after-tax profit before and after audit: The audited financial statement for 2025 shows an after-tax profit of VND 814,205,895, with an increase of over 5% before and after the audit. The increase in after-tax profit is mainly due to a reduction of VND 850 million in management staff salaries.
