In the consolidated financial statements of Hanoi Textile and Garment Joint Stock Corporation:

Business results for 2025:

+ Profit after tax in 2024: VND (78,259,915,688)

+ Profit after tax in 2025: VND 13,280,115,154 *phn*

Profit after tax in the 2025 audited consolidated financial statements fluctuated by 10% or more compared to the same period in 2024; specifically, the Company recorded a profit in 2025, improving from a loss in the same period of 2024. Hanoi Textile and Garment Joint Stock Corporation hereby provides the following explanation:

The increase in the Company's profit after tax in 2025 compared to the same period was mainly due to the strong recovery of the market. The garment segment experienced relatively favorable conditions with full order capacity. The yarn segment still faced many challenges; however, the Company closely monitored market developments, made timely forecasts, and secured favorable cotton and yarn prices. The towel segment operated at full export capacity and also recorded an increase in domestic orders. In addition, improved production management, enhanced productivity, and cost optimization contributed to higher overall efficiency across the Corporation compared to the same period.
