Re.: *Explanation of a difference of more than
10% in operating profit in the first quarter of
2026 financial statements compared to the same
period of previous year*

To:

- The State Securities Commission
- The Hanoi Stock Exchange

Central Pharmaceutical Joint Stock Company NO2 (Stock symbol: DP2) would like to express our sincere greetings and thanks for your attention to our Company during the past time.

Complying with the Circular No. 96/2020/TT-BTC dated November 16, 2020 of the Ministry of Finance on guiding the disclosure of information on securities market;

As presented in the first quarter of 2026 financial statements dated 15 April, 2026 of Central Pharmaceutical Joint Stock Company NO2, the after-tax profit for this period of current year is: - VND 6,885,906,547, compared to the same period of previous year: - VND 3,452,857,311.

DP2 hereby explains the operating profit as follows:

- In the first quarter of 2026, although the Company made its efforts to save the costs and reduce a cost of goods manufactured, the increase in foreign exchange rate led to higher raw material prices which caused the difficulties, challenges in production and business activities of the Company.
- In the first quarter of 2026, the pharmaceutical market faced many difficulties, challenges; so sales revenue decreased compared to the same period of previous year, and the profit decreased as a result.

DP2 kindly hopes for your consideration and assistance.

Sincerely thank!

Recipients:

- *As mentioned above;*
