### **II. ACCOUNTING PERIOD, CURRENCY UNIT USED IN ACCOUNTING**

The Company's accounting period starts on 01 January and ends on 31 December of the calendar year.

Currency unit used in accounting: Vietnamese Dong (VND).

### **III. STANDARDS AND ACCOUNTING SYSTEM APPLIED**

The financial statements are presented in Vietnamese Dong (VND), prepared based on accounting principles consistent with the regulations of the enterprise accounting regime issued in Circular No. 99/2025/TT-BTC dated October 27, 2025 of the Ministry of Finance, Vietnamese accounting standards and relevant legal regulations on the preparation and presentation of financial statements.

#### IV. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### 1. Tangible assets and depreciation

Tangible fixed assets are depreciated using the straight-line method, with depreciation calculated by dividing the cost by the estimated useful life, in accordance with the provisions of Circular No. 45/2013/TT-BTC dated April 25, 2013, issued by the Ministry of Finance. The specific depreciation periods for each type of asset are as follows:

	<u>Depreciation (Year)</u>
Buildings and structures	10 - 50
Machinery and equipment	04 - 10
Transportation vehicles	06 - 10
Office equipment	03 - 10

##### 2. Intangible assets and amortization

Intangible fixed assets are stated at cost less accumulated amortization. The value of the accounting software program on the computer is amortized using the straight-line method over a period of 4 years. The definite land use rights are amortized based on the duration of land use certificates. The Company does not amortize long-term land use rights.

##### 3. Salary

The Company is currently allocating salary funds according to the Decision approved by the Company's Board of Directors. During the reporting period, the Company makes provisional allocations to the salary fund; at the end of the year, the salary fund will be settled upon receipt of the Decision approving the salary fund from the competent authority.

##### 4. Other revenue and expenses

Revenue is recognized when the sale transactions are measured reliably and the Company received or will receive economic benefits from these sale transactions.

***Revenue from the sale of goods shall be recognized if it simultaneously meets the following five (5) conditions:***

- The Company transferred most of the risks and benefits associated with ownership of goods to the customers;
- The Company did not hold the right to manage goods as the owners or the right to control goods;
- The revenue is measured reliably. When the contracts define that the customers are entitled to return goods purchased under specific conditions, the Company shall only record revenue if such specific conditions do not exist and the customers are not entitled to return goods (unless the customers are entitled to return the goods in the form of exchanging for other goods or service);
- The Company received or will receive economic benefits from the sale transactions;
- The costs related to the sale transactions may be determined.

***The turnover of a transaction on rendering of services shall be recognized if it meets all four (4) following conditions are satisfied:***

- (a) Revenue is measured reliably;
- (b) The Company received or will receive economic benefits from the sale transactions;
- (c) The completed work is determined at the reporting date;
- (d) Incurred costs for the transaction and the costs to complete the transaction of providing such services are determined.

*Financial income* comprises deposit interest, and is measured reliably on the basis of the balance of deposits, loans and actual interest rates each period.

*Other income* reflects income arising from the events or separate transactions with normal business operations of the Company, besides the above revenue.

## 5. Receivables and provision for doubtful debts

Receivables are monitored in detail of the original terms, remaining terms at the reporting date, the receivable objects, receivable foreign currencies and other factors for the Company's management purpose. The classification of receivables are trade receivables and other receivables shall comply with the principles:

- Trade receivables include commercial receivables incurred from purchase-sale transactions, including receivables from the sale of exported goods under the trust for other entities;
- Other receivables include non-commercial or non-trading receivables, including: receivables from loan interests, deposit interests, dividends paid and earnings distributed; amount paid on behalf of another party; receivables which the export trustor must collect on behalf of the trustee; receivables from penalties, compensation; advances; pledges, collaterals, deposits, assets lending...

The company bases on the remaining term at the reporting date receivables to classify as long-term or short-term.

Receivables are recognized as not exceeding the recoverable value. Provision for doubtful debts is made for receivables that are overdue for six months or more, or when the debtor is in difficulty of solvency due to dissolution, bankruptcy or similar difficulties in accordance with the provisions of the current Corporate Accounting System.

## 6. Related parties

The parties are regarded as related parties of the Company if they have the ability to control or exercise significant influence over the Company in making financial and operating decisions or have the same key management personnel or are jointly managed by another company (the same Group, Corporation).

Individuals with direct or indirect voting rights can impact significantly the Company, including close family members of these individuals (parents, spouses, children, siblings).

Key management personnel have authority and responsibility for planning, managing and controlling the operation of the Company: the directors, the managers of the Company and close family members of these individuals.

The companies managed by these individuals mentioned above with direct or indirect voting rights or through these rights they can have a significant impact on the Company, including the companies owned by the leaders or major shareholders of the Company and the companies that have the same key management personnel.
