Ref: Explanation of profit on the  
Consolidated Financial Statements Q2/2026

To: - State Securities Commission  
- Ha Noi Stock Exchange

Implement the document of the Hanoi Stock Exchange regarding the periodic information disclosure of listed companies.

Bim Son Cement Joint Stock Company (Company) would like to explain the fluctuation of profit in the Consolidated Financial report for the second quarter of 2026 as follows:

The net profit after-tax of Bim Son Cement Joint Stock Company in second quarter of 2026 was positive 9.82 billion VND, decreased by 53.31 billion VND compared to second quarter of 2025, mainly due to the following reasons: sales revenue increased 4.79% (equivalent to 51.05 billion VND); cost of goods sold increased 11.18% (equivalent to 100.94 billion VND); other income decreased 33.94% (equivalent to 0.13 billion VND); financial income increased 566.5% (equivalent to 0.1 billion VND); selling expenses increased 11.35% (equivalent to 5.97 billion VND); administrative expenses increased 9.9% (equivalent to 3.19 billion VND); other expenses decreased 93.54% (equivalent to 5.75 billion VND); and financial expenses decreased 0.29% (equivalent to 0.02 billion VND). However, in second quarter of 2026, the increase in sales revenue, financial income, and the decrease in financial expenses and other expenses were smaller than the increase in cost of goods sold, selling expenses, administrative expenses, and the decrease in other income.

Therefore, the after-tax profit in second quarter of 2026 decreased by compared to the after-tax profit in second quarter of 2025.

*Thank you and best regards !*
