3. Supervisory activities of the Board of Directors towards the Board of Management

The Board of Directors consistently monitors and highly appreciates the Board of Management timely and effective implementation of the Resolutions of the General Meeting of Shareholders, the Resolutions of the Board of Directors, as well as the concretization of solutions, plans, and schemes for the company's production and operating activities.

The Board of Directors acknowledges the efforts and determination of the Board of Management to achieve positive changes in operating activities.

In accordance with the provisions of the Charter, the Regulations, The Internal governance regulations, and the current law, the Board of Directors has conducted the following specific supervisory activities:

- Regularly and closely directing the Board of Management in project investing activities, seeking new sales markets, and monitoring the implementation of the established production and operating plan.
- Organizing and directing the serious implementation of the quarterly financial reporting, semi-annual financial reporting, and annual financial reporting.
- Supervising and directing the implementation of information disclosure with the goal of ensuring transparency and timeliness in accordance with regulations.
- Always adhering to the objectives of the Resolutions, operating production and business activities promptly and flexibly according to market fluctuations.
- To proceed with the cash dividend payment for 2025 to shareholders.

4. Activities of the Board of Directors' subcommittees

- The Strategy Subcommittee and the Human Resources - Remuneration Subcommittee have operated in accordance with the Charter and the Regulations on Corporate Governance.
- Strategy Subcommittee:
 - o Proactively advised the BOD on short-term and long-term orientations as well as the Company's core strategic targets; concurrently proposed flexible management solutions to resolve bottlenecks and stabilize manufacturing and business operations amidst highly volatile market conditions.
 - o Conducted research, analysis, and benchmarking of the Company's competitive advantages against industry peers, thereby identifying competitive edges, growth upsides, and trajectories to enhance operational efficiency.

- Coordinated in advising and deploying core business targets according to the plan approved by the General Meeting of Shareholders (GMS), contributing to sustaining stable manufacturing and business activities and progressively upgrading operational efficiency.
- Actively advised the BOD on formulating and promulgating appropriate workflows, policies, and development orientations, ensuring that all corporate activities strictly comply with statutory regulations and the Company's Charter.
- Proactively researched and evaluated strategic and potential markets; concurrently strengthened connections and engagements with partners in South Korea, Japan, the US, India, China, etc., to expand cooperation opportunities and chart off-take directions for the Company's new projects.
- Closely monitored international economic and political developments, providing timely advisory on flexible adaptive solutions to headwinds such as the Russia-Ukraine conflict, Middle East regional tensions, supply chain disruptions, and US tariff policies; thereby safeguarding the stability and safety of the Company's manufacturing and business operations.
- Advised on formulating brand identity orientations and the 2026 marketing strategy, adopting a product-quality-centric approach, reinforcing brand recognition, and developing core values aligned with market demands.
- Reviewed and evaluated product mix, client profiles, pricing policies, and procurement operations to upscale cost management efficiency, optimize working capital, and reinforce competitiveness. Concurrently focused on strategic client acquisition, consolidating the sales workforce, and constructing tailored sales policies aligned with market conditions.
- Continued researching market expansion into BRICS nations, while directing the development of value-added product lines utilizing shrimp, fish, coffee, and cashew nut raw materials to diversify the product portfolio and elevate brand equity.
- Evaluated manufacturing capacities and logistics systems, proposing technical and technological process improvements, and investing in equipment and production lines to boost operational efficiency. Concurrently advised on appropriate investment resource allocation schemes to serve the Company's manufacturing and business scale expansion, including projects for the HappyFood Vietnam Factory and the Hung Hau Agricultural & Seafood Processing Factory.
- Coordinated in advising the BOD and the Board of Management (BOM) on reviewing and adjusting the organizational chart and personnel headcount allocations in accordance with the new operational model to upscale governance efficiency.
- Supported the deployment and commissioning of the HappyFood Vietnam Factory (under HappyFood Vietnam Corporation) in strict accordance with the planned schedule and orientation.

- Strengthened relationships with credit institutions and expanded cooperation with new partner banks; while coordinating the execution of loan settlements and credit limit upgrades to fuel manufacturing and business operations.
- Coordinated the seamless execution of salary and bonus payments during public holidays and the Lunar New Year, ensuring employee peace of mind and safeguarding workers' statutory rights and benefits
- The Human Resources - Remuneration Subcommittee:
 - Affirmed the prestige of the Hung Hau brand with a "double award" victory at the Vietnam Business Forum themed "Creating and Leading Sustainable Transformation":
 - Top 10 Best Places to Work in Vietnam (Food & Beverage Sector).
 - Top 500 Leading Employers in Vietnam.
 - This milestone not only validates an exemplary working environment but also generates a natural talent magnet for top-tier professionals, while deeply engaging the core workforce to ensure the continuous, stable, and robust operation of the entire system.
 - Strategic training – Upscaling professional capabilities & international integration through the synchronous deployment of breakthrough training programs:
 - Manufacturing: Enhanced international quality control capabilities by updating SSOP, HACCP, HALAL systems, FDA/EU labeling mandates, microbiological testing, and equipment calibration.
 - Finance & Accounting: Provided timely updates on new accounting regimes and implemented risk management and control models under international COSO standards to reinforce a resilient internal control system.
 - Digital Transformation & Productivity: Propelled innovative mindsets through programs such as "Discovering the Power of AI in Seafood Enterprises" and "Production Management and Labor Productivity Upscaling", helping minimize operational errors and optimize processes.
 - Safety & Risk Mitigation: Periodically organized fire prevention and firefighting drills to thoroughly protect laborers and corporate assets.
 - Brand Image Elevation: Co-organized the training program "Building a Professional Image and Communication Style" with the John Robert Powers School of Personality Development & Talent Vietnam for the management team, preparing them for comprehensive international integration.
 - Perfecting the organizational structure:
 - The Company standardized its organizational charts, job descriptions (JDs), and personnel headcount allocations across departments. The appointment and dismissal of senior executives were executed scientifically and transparently, promptly satisfying the rapid development pace of the enterprise.

- Notably, the incremental digitalization and application of modern technology in internal governance have significantly upgraded management and operational efficiency.
- Execution of advisory duties for the BOD:
 - Advised on constructing the Organizational Chart and the Delegation of Authority (DoA) framework.
 - Advised on the appointment and dismissal of senior managers.
 - Advised on leveraging technology in management and operations.
 - Advised on HR solutions amidst global economic headwinds to secure stable employment and income for workers.
 - Advised on supporting employees facing severe life hardships (e.g., staff enduring major surgeries that severely impact health, or those in solitary living conditions with no family support).
 - Completed the review and disbursement of the BOD remuneration package for 2025 and the first half of 2026, ensuring absolute compliance and maximum transparency.
- Welfare policies & profound humanistic responsibility:
 - At HUNG HAU AGRICULTURAL, human capital is always the most valuable asset.
 - The Company not only strictly complies with legal frameworks (fully executing Social Insurance, Health Insurance, and Unemployment Insurance deductions/payments; settling sickness and maternity claims) but also fosters a humanistic corporate culture.
 - Secured stable employment and income for laborers against global economic volatility.
 - The Executive Committee of the Trade Union and the management team consistently accompanied, shared with, and paid timely visits to employees for bereavement, weddings, maternity, or those facing exceptionally difficult circumstances (solitary living, undergoing major surgeries).
