*Regarding the explanation of First
Six Months of financial statements*

**To: The State Securities Commission
Hanoi Stock Exchange**

Pursuant to Circular No. 96/2020/TT-BTC dated November 16, 2020 of the Ministry of Finance guiding information disclosure on the stock market, SADICO Can Tho Joint Stock Company discloses information on the First Six Months of 2026 Financial Statements as follows:

Persuant to the Report on production and business performance in the First Six Months of 2026 Financial Statement of Sadico Can Tho Joint Stock Company.

- According to the First Six Months of 2026 Financial Statements, the return after tax in the income statement of the reporting period is a change of over 10% compared to the same period report last year (Details in Table 1) and changed by 5% compared to the audited financial statements (as detailed in Table 2).

** Explanation: The Company has made efforts to strengthen its sales activities and secured raw materials at favorable prices in advance of price fluctuations. As a result, revenue in the First Six Months of 2026 increased compared to the same period in 2025. Consequently, profit after tax for the reporting period increased compared to the same period in 2025.*

** Explanation for the 5% change: During the period, errors were identified, resulting in the reclassification of the general and administrative expenses item. Consequently, the profit after corporate income tax for the reporting period differed by 5% before and after the audit.*
